

HG - STAFF NEGOTIATING ORGANIZATIONS

The Board of Education reserves the right to formally recognize teacher organizations established for the welfare of teacher, board and teachers, teachers and students, and/or teacher, board and students.

The rights and responsibilities of such organizations will be according to the legal statutes and laws of the State of South Dakota.

Any agreements or procedures involved in agreements between the Board of Education and the teachers will be with the recognized organization of the teachers as established by law.

Negotiations, "Meet and Confer", and grievances will be bonded by procedures outlined in the school board policies, regulation, and the Negotiated Contract.
